About the course YouTube channel setup

Course Presenter : HOWTECH

YouTube channel setup, in this course we will learn about YouTube channel setup course. This course is designed to guide beginners through every step of creating and setting up a personal YouTube channel. You'll learn how to sign in with a Google account, create your channel, choose the right name and branding, and customize your channel layout and visuals like profile picture, banner, and description. Weâ€™ll also cover important settings such as privacy, audience selection, and content categories. By the end of the course, youâ€™ll be able to upload your first video, set up playlists, and organize your content effectively. This course is perfect for individuals who want to start vlogging, sharing tutorials, or growing a presence on YouTube. No prior experience is requiredâ€”just a passion to share your voice with the world. Start your YouTube journey with confidence, and build a channel that reflects your style and goals. HOWTECH
